Financial Services Guide

This Financial Services Guide (FSG) is designed to clarify who we are and what we do, and help you decide whether to use our services.

To make things simple, this guide explains:

- the services and types of products we're able to offer you
- how we and our associates are paid and any other benefits we may receive
- any potential conflicts of interest we may have
- how we protect your privacy and handle your personal information
- how we resolve disputes, and what you should do if you have one.

Please read through the whole FSG, as it's full of useful information – and is also worth holding on to for future reference. And of course, if you ever have any questions, please contact us.

Other documents you may receive

In addition to this FSG, when we provide you financial advice we will also present you with a written Statement of Advice (SOA). This will describe:

- advice and strategies we recommend and the reasons why;
- the financial products and services we recommend and the reasons why;
- any fees or commissions we will receive; and
- any associations we have with financial product providers or other parties that have not already been disclosed in this FSG and may influence the advice we provide.

If you receive further financial advice from us, we will present you with either another SOA or keep our own written Record of Advice (ROA). You can request a copy of this by contacting us any time up to seven years from the date of the advice provided. Please refer to the "Contact us" section of this FSG for our contact details.

To help you make an informed decision about a financial product you generally will be given a Product Disclosure Statement (PDS) which outlines the product features and costs in detail. In certain circumstances it is not a requirement that you be given a PDS (including, for example, where you already have one).

Giving us instructions

If you want to make changes to your financial plan or provide other instructions, please contact us. Please refer to the "Contact us" section of this FSG for our contact details.

Generally, you will need to give us instructions in writing (eg fax, email or letter) or another method agreed with us.

AFCA replaces the three existing EDR schemes of the Financial Ombudsman Service (FOS), the Credit and Investments Ombudsman (CIO) and Superannuation Complaints Tribunal (SCT) so that consumers have access to a single EDR scheme.

GWM Adviser Services holds professional indemnity insurance that satisfies the requirements of Section 912B of the Corporations Act. This insurance also covers the conduct of our advisers who were authorised by GWM Adviser Services at the time of providing the advice, but are no longer authorised representatives of GWM Adviser Services at the time of your complaint

Payments and benefits we receive

You can pay for the services you receive on a fee for advice basis. This allows you to know that you are paying for our advice irrespective of any product you use, clarifies the services you are entitled to, and ensures all recommendations are driven by your needs.

We will agree with you the amount you pay based upon:

- a flat dollar fee;
- an hourly rate;
- the amount you invest; or
- a combination of the above.

You can pay in the following ways:

- as a fee for advice that will be deducted from your investments as a one-off payment or in instalments;
- by direct invoice from us for initial and ongoing advice;
- via commission we may receive from a financial product provider when you commence an insurance contract; or
- a combination of the above.

If you are not already on a fee for advice package, you can move to this payment at any time.

Other payments we may receive

We will provide you with details of all fees, commissions or other benefits we may receive when we provide advice to you and, where possible, will give actual dollar amounts. If we cannot provide this accurately, we will provide worked-dollar examples.

Even if you don't receive personal financial advice from us, you can still request the details of any fees, commissions or other benefits we receive in relation to any other financial service we provide you.

Benefits we may receive

Sometimes in the process of providing advice, we may receive benefits from product providers.

Conferences

We may attend conferences and professional development seminars that have a genuine education or training purpose. GWM Adviser Services Limited, or our employer, may pay for the costs of our travel and accommodation, and events and functions held in conjunction with the conference or seminar.

Non-monetary benefits

We keep a register detailing certain non-monetary benefits that we receive e.g. benefits valued between \$100 and \$300, and those that relate to genuine education or training and technology software or support.

You can view an extract of the register by contacting us. Please be aware that GWM Adviser Services Limited may charge you for the cost of providing this information to you.

Sponsorship

GWM Adviser Services Limited receives cash payments from product providers who sponsor and attend training presentations, conferences and/or professional development days. Amounts vary between product providers and iFinancial Intelligent Solutions does not directly share in the sponsorship payment; however, we may indirectly benefit as these payments subsidise the costs associated with these training and professional development events.

Commissions received by our Licensee from product providers

GWM Adviser Services has ongoing commission arrangements with a number of risk insurance providers. Where you acquire a risk insurance policy issued by AIA, Zurich, Comminsure and One Path the insurer may pay GWM Adviser Services a commission payment which is based on total in-force premium and lapse rates for risk insurance policies as at 31 December 2017, recommended by all advisers within GWM Adviser Services adviser network. The payments received by GWM Adviser Services may be up to 2% of the premium amounts paid by policy holders to the relevant insurer. As this amount is calculated in the future, we cannot provide an exact amount at this time; however, as an example, if as a result of services provided to you by GWM Adviser Services, a participating insurance provider receives \$5,000 in premium for policies as at 31 December 2017, then GWM Adviser Services will receive up to \$100 as a commission (2% of the premiums held).

The above payments are not shared with us. These payments do not represent an additional charge to you and we will disclose in your Statement of Advice insurance products for which these arrangements may apply.

Distribution Allowance

MLC Limited pays a distribution allowance to National Wealth Management Services Limited, a related body corporate of NAB, in respect of the distribution of MLC Limited's insurance products by licensees in the NAB Group (including NAB). This amount is not ascertainable at this time and will depend in part on the value of MLC Limited's insurance portfolio relating to insurance distributed through NAB and its related bodies corporate and the performance of NAB and its related bodies corporate against agreed annual performance criteria.

This allowance is not shared with us and does not represent an additional charge to you.

Business Equity Valuation (BEV)

In the event of our death or permanent disablement, or if we were to leave the financial planning industry, GWM Adviser Services Limited provides a buyer of last resort option called BEV. This helps manage the transition of ownership to ensure you continue to receive advice.

The value of a sale under BEV is based on a multiple of ongoing revenue received by the business on an annual basis. The multiple can range from 2.5 to 4 depending on the proportion of the ongoing revenue that comes from clients who hold MLC group financial products.

Here are some examples to help you understand the potential benefit to us of our clients holding MLC group product:

- If the ongoing revenue of the business was \$100,000 and 50% of our clients held MLC group products, the sale value for the financial planning business would be between \$250,000 and \$350,000;
- If the ongoing revenue of the business was \$100,000 and 85% of our clients held MLC group products, the sale value for the financial planning business would be up to \$400,000;

Importantly, BEV is subject to us meeting certain compliance requirements and standards.
